- The diagram consists of three concentric circles. The innermost circle is light blue and represents the 'Gestaltungsfläche' (design area). The middle ring is light orange and represents the 'Sicherheitsabstand von 2 mm' (safety margin of 2 mm). The outermost ring is dark orange and represents the 'Motiverweiterung von 5 mm' (motif extension of 5 mm). A white rectangular box is overlaid on the middle ring, containing a legend with three entries: a light blue square for 'Gestaltungsfläche', a light orange square for 'Sicherheitsabstand von 2 mm', and a dark orange square for 'Motiverweiterung von 5 mm'.
