- The diagram consists of three concentric circles. The innermost circle is light blue and represents the design area. The middle ring is light orange and represents a 2 mm safety margin. The outermost ring is dark orange and represents a 5 mm motif extension. A white rectangular box is centered over the design area, containing a legend with three entries: a blue square for 'Gestaltungsfläche', an orange square for 'Sicherheitsabstand von 2 mm', and a dark orange square for 'Motiverweiterung von 5 mm'.
